More than 10 Stk. in stock

All 7 Watercraft DNA Enzyme-Activated Smoke Pop-Up varieties in a sample pack at a special price.

Ideal if you want to test different flavors or have the right pop-up for every situation. The Smoke Pop-Ups immediately release a visible cloud of attractant underwater and continuously release attractants.

Instead of buying individual cans, you can get the complete set here at a lower price in this sample pack.

Features:

- All 7 available Watercraft Smoke Pop-Up varieties
- 15mm diameter each
- Try all varieties
- For different waters & conditions
- Ideal for testing and combining
- Special price instead of buying individually
