Product information

The RidgeMonkey Nite Glo Crimp Tool Set includes everything you need to create clean and secure crimp connections for rigs or booms. The pliers feature two different crimping dies for various diameters, as well as a built-in line cutter located directly in the jaw area. The ergonomic handles allow for even pressure to be applied cleanly.

The Nite Glo handles glow in the dark for up to 8 hours, making them easy to find at night or in low-light conditions. The set also includes crimps in two sizes, as well as Rock Bottom Crimp & Knot Covers to neatly cover the connection.

Features:

- Complete set for creating crimp loops
- For rigs, hooklinks, and booms
- Integrated line cutter
- Two crimp sizes included
- Ergonomic non-slip handles
- Nite Glo handles glow for up to 8 hours
- Safety lock to secure the pliers
- Crimps stored in separate boxes
- Includes Rock Bottom Crimp & Knot Covers

Contents:

- 1x Nite Glo Crimp Tool
- 10x 0.6mm crimps
- 10x 0.7mm crimps
- 10x Rock Bottom Crimp & Knot Covers

Notes:

- 0.6mm crimps recommended for line diameters up to 0.55mm
- 0.7mm crimps recommended for line diameters up to 0.65mm
- Always test the connection before use
