from 6,99 EUR / PCE

incl. 20% VAT plus Shipping

Delivery **Thu 05. Nov - Fri 06. Nov 2026**

3 PCE in stock

Product information

The Mivardi CrystaliX Hanger combines modern design with reliable functionality. Its crystal-clear body resembles a polished gemstone and gives any setup a high-end look.

Connecting it to a compatible bite indicator activates the built-in lighting. When a bite occurs, the entire hanger glows with a pleasantly subdued light, providing a clearly visible visual bite indication even in the dark.

The precision-machined metal line clip holds the line securely and ensures reliable bite detection. For challenging conditions such as wind, strong currents, or long distances, the hanger can be individually weighted with optionally available additional weights.

Features:

- Crystal-clear body with a gemstone-like appearance
- Integrated lighting for optimal visibility
- Activated via a compatible bite indicator
- Dimmable LED lighting when a bite occurs
- Precision metal line clip
- Expandable with optional additional weights
- High-quality, modern design
