2 PCE in stock

Barbless - ohne WiderhakenThree years of development have resulted in the sharpest carp hook you have ever held in your hand. Blood, sweat, tears and hundreds of hours were necessary to obtain this special hook. Two special features characterize the Kamakura hook. Firstly, every hook in every Kamakura pack has absolutely the same sharpness. And secondly, the hooks have a protective layer of wax over the ultra-sharp seats. This guarantees protection of the sharpness
