Korda - N-Trap Soft

Developed and designed by the Korda team, N Trap is suitable for the production of all combination leaders for carp fishing.

Product information

Due to the revolutionary coating, the material is very robust and matt. N-Trap Soft is very supple, which is why it never needs to be reworked with steam. The core is made of space-age Dyneema, making it the strongest material ever.

Properties:

- For all rigs and leaders
- Available in 3 colors
- Available in 3 thicknesses
