Since its launch, **Goo** has helped anglers catch countless carp. Manufactured by Kiana Carp from a complex blend of amino acids and attractants, each bottle offers the ultimate liquid for virtually any fishing situation.

The Goo range is available in different viscosities, depending on the application:

Product information

Smokes / Power Smokes:

- Thick consistency, for external application on baits such as hook baits, Funnelweb PVA bags, method feeders, floats, and more
- Sticks to the bait even during the cast
- Can be used dried on hookbaits or on pre-soaked Supreme baits for a “candy” effect
- Ideal for applying to loose groundbait or spod mixes to create a cloud of attractiveness through the water column
- Varies in viscosity—thicker varieties work best in warmer water

Supreme / Bait Smokes:

- Thin consistency, penetrates deep into the core of the bait
- Longer-lasting effect: The goo continues to seep out of the bait for many hours after casting
- Highly soluble, even in colder water
- Creates a cloud of color and a “halo” effect around the hook bait
- Ideal for extended soaking in Infuza trays or directly in the bait
- Can be used alone or combined with other Goos to create custom scent, taste, and color profiles

General characteristics:

- Each bottle contains 115 ml
- Spray nozzle for easy and precise application, even in PVA bags
- Screw cap for secure storage and no spills
- Versatile: On hookbaits, groundbait, spod mixes, or mixed with other Goos

Variety overview:

- **Tutti Frutti Smoke:**
  - A classic with an intense fruity aroma, ideal for coating hookbaits and PVA bags.
- **Pineapple Smoke:**
  - Can be applied directly to PVA bags or zigs, releases attractants quickly.
- **Pineapple Supreme:**
  - A thin hookbait glaze with a long-lasting attractant effect.
- **Corn Twist Smoke:**
  - Sweet, sticky corn flavor, perfect for hookbaits, groundbaits, and zig-spods.
- **Almond Supreme:**
  - Penetrates deep into the bait; irresistible when combined with Pink Almond Smoke.
- **Almond Smoke:**
  - Marzipan-like, turns bait pink and creates attractive scent clouds.
- **Garlic Supreme:**
  - Strong garlic scent, attracts fish with an orange-colored water halo.
- **Spicy Squid Supreme:**
  - Sweet and intense, penetrates deep into hookbaits, extremely effective in difficult conditions.
- **Spicy Squid Smoke:**
  - Thick consistency, for PVA bags and dried hookbaits, creates subtle attractant clouds.
- **Tiger Nut Smoke:**
  - Nutty-sweet, perfect for tiger nuts and hookbaits, slowly releases attractant clouds.
- **Bumbleberry Supreme**:
  - Sweet berry aroma with a slight citrus kick, colors bait dark pink.
- **Super Scopex Supreme:**
  - Vibrant, light orange goo, ideal for applying to hookbaits.
- **Krill Supreme:**
  - Salty-sweet shrimp flavor, creates pink clouds of attraction around the bait.
- **Isotonic Supreme:**
  - Fruity, aromatic scent, very effective year-round.
- **No Name Supreme:**
  - Subtle color; aroma intensifies in the water and reliably attracts fish.
