from 1,67 EUR / PCE

incl. 20% VAT plus Shipping

Delivery **Thu 05. Nov - Fri 06. Nov 2026**

More than 10 PCE in stock

The compact shape of the Tri Pear lead ensures that the fish quickly feels the full lead weight, which improves the self-hooking effect and increases the hooking rate.

- Rounded 3D camouflage structure
- High center of gravity
- Specially designed for lead clip and helicopter rigs
- Robust, non-reflective, matt rubberized camouflage surface coating
- Large swivel eye for easy mounting on any lead clip type
- Minimized eye height on all swivel leads
- Available in:
