The BASIX Ready Tied Hair Rigs are ready to use straight from the pack. All you have to do is attach a groundbait or wafter and you're ready to go! These rigs are tied with the camouflage green BASIX Coated leader material, with a few centimeters stripped in front of the hook to allow full freedom of movement. They have a supple hair with a piece of silicone to keep the

hair on the shank and avoid tangles. The length of this hair has been optimized for the lure size that matches the selected hook size.

The size 8 is designed for 12mm lures, the size 6 for a 15mm lure and the size 4 for an 18mm lure.

Each rig comes with multiple Hair Stops and different sized Extenda Stops to allow you to change the hair length and use different lure sizes than the rig was designed for. At the other end of the BASIX Hair Rig there is a loop and a BASIX Anti Tangle Sleeve to attach it quickly and easily to a BASIX Lead Clip Leader or a BASIX Lead Clip Action Pack Setup (including QC swivel).

Supplied in a pack of 2.

Available in hook sizes 4, 6 and 8 both with and without barbs.
