Delivery **Thu 05. Nov - Fri 06. Nov 2026**

4 PCE in stock

The Mini Heli Safes are here and revolutionize fishing with helicopter and chod rigs!

A small plastic clamp can be used to set whether the lead is lost or not. The Heli Safe can therefore always remain mounted and can also be used when the lead must not be lost. And if the situation requires it, you can remove the clamp and have

Product information

an absolutely safe system that releases your lead after the bite. This works via a special spring mechanism. Available in green and brown.
