Odyssey XXX Air Ball Pop-Ups have been developed for fishing in conjunction with Odyssey XXX boilies and other products in the Odyssey XXX boilie range.

Features:

- Easily buoyant and very durable
- Soft natural GLM-like taste and aroma
- Rich in amino acids from high quality proteins
- Highly soluble attractors promote maximum release
- Easy to trim to reduce their buoyancy
- Color matched to Odyssey XXX boilies
- Contains the same base mix and liquids as Odyssey XXX boilies

Contents:

- 12 mm wafters = 70 baits per pot
- 15 mm wafters = 50 baits per pot

Product information

- 18 mm wafters = 35 baits per pot

Customer guidance:

- This product should be stored in a cool, dry place out of direct sunlight.
- Soaking and coating these pop-ups in liquids will reduce their buoyancy.
- We manufacture our wafters to be slightly buoyant rather than critically balanced. This allows the angler to adjust their buoyancy by trimming them down slightly to create a perfectly balanced rig.

Warning:

- This product is for bait only and must not be fed to fish.
