2 PCE in stock

This extremely attractive, ready-to-use boilie paste is supplied in a 300 g pot.

Properties:

Product information

- Ready to use and easy to mold around any object
- Begins to disintegrate immediately in water of any temperature
- Low in oil, intensely attractive and ideal for year-round use
- Contains milk, egg and plant proteins + fermentation catalysts
- Releases powerful natural appetite stimulants and food triggers
- Ideal for wrapping hook baits and for making paste hook baits
- Excellent as an attractant feed with a high attractant effect when fed in lumps.
- Does not need to be frozen, a great advantage for carrying in a rucksack

Customer guidance:

- This product should be stored in a cool, dry place out of direct sunlight.
