1 PCE in stock

The Fox Edges Zig Float Kit in the new ribbed design for increased casting stability.

- Resistance cavities support the hook properties
- Finished in Trans Khaki color
- Shaped for the Edges angled drop-off race to ensure the cable hangs flush with the float

Product information

- Supplied with a boom that features an angled drop-off race on one end and a heli drop-off bead with edges on the other end
- The unique design of the boom allows you to either drop off the line (without losing the boom) or keep the line, depending on how much weed is present
- Angled drop-off barrel ring allows you to switch between using a boom and using a boom without having to cut the line and re-tie the Set-U
- Features a unique anti-tangle cavity where you can place a small piece of rolled up solution foam into which you can then cut your hook
- Supplied with a ball bearing swivel to reduce twisting of the hook and a Trans Khaki Short Anti-Tangle Sleeve
