The waterproof caps ensure that your head stays warm and dry when fishing. It has the advantage of a normal visor cap, where the visor protects your eyes from the sun, which is ideal when locating fish.
Unlike a normal cap, it is made from a lightweight, water-repellent material that ensures your head stays dry, even when

Product information

you are out in the rain.
The hat is not only waterproof, but also has a fleece lining to keep your head warm in the cold season. This hat is also incredibly comfortable to wear.
The material is tear-resistant, so it won't be easily damaged if you bump into brambles or the like while wearing it. It comes in one size and is available in either olive green or the limited edition burgundy.

- Lined with fleece
- Lightweight, water-repellent material
- Rip-stop material
- Straps for adjustment to the head
