Product information

R3+ receivers reproduce the readings from R3+ bite alarms to over 400 meters to ensure reliability - even when difficult terrain and atmospheric conditions affect the performance of inferior remote systems.

- Accurate audio transmission from each paired R3+ indicator
- LED color display of each paired R3+ indicator
- 4 channels for pairing individual R3+ bite alarms
- A 5 "friend channel" can be paired with up to 32 other R3+ bite indicators
- Volume control, mute and vibration function
- Last "event" can be recalled at the touch of a button
- Powered by 1 x CR123A battery (not included)
