Delivery **Thu 05. Nov - Fri 06. Nov 2026**

10 PCE in stock

Shrink Tube is perfect for improving the hooking efficiency of a hook by bending the hook inwards meaning you get more bites. This highly versatile material is used for all types of rigs including Blowback Rig Slip-D-Rig Ronnie Claw and many more. Shrink Tube is available in 0 5 mm, 1 0 mm and 1 5 mm sizes.
