Product information

This multi-purpose tool has been specially developed for the cuffs of the Korda Singlez Uprights and many banksticks with thumbscrews available on the market. The tool makes it easy to tighten or loosen Singlez cuffs and thumbscrews so that your set-up is rock solid and can be stowed away quickly after the session.
The tool features a unique internal profile and an extended handle that makes it easy to apply pressure to the cuffs. In addition, a hook on the end of the tool is provided for opening bucket lids and small magnets keep the tool closed when not in use.
The Lock-It Tool is manufactured by Jag Products, so you can be sure that quality and functionality have been taken into account in the development of this product. With anodized green finish and Korda lettering.

Key features:
- For tightening or loosening Singlez cuffs
- For easy tightening and loosening of the cuffs
- Hook for opening bucket lids
- Magnetic closure
- Made from high quality aluminum from JAG
