5 PCE in stock

The Ezi Drop Lead Clip features a smooth rear shank that allows the lead to be dropped more easily - perfect for fishing in weed or obstructions.

Product information

The two-stage click-fit housing and a secondary locking pin ensure that the clip always remains attached to the swivel for optimum function.

The front recess fits perfectly with any size 8 swivel so you can use Quick Change, Ring or Standard swivels depending on the presentation.

Use with Lead Clip Tail Rubber (T8752/T8767) for reliable performance and safety.
