incl. 20% VAT plus Shipping

Delivery **Fri 06. Nov - Mon 09. Nov 2026**

1 PCE in stock

Nash Lead Clips now offer even more security for carp. That's why they feature a click-fit body and a second locking pin that ensures the clip remains attached to the swivel at all times to allow reliable lead release when required. This means that hooked carp can also be landed safely.

Product information

The front recess fits perfectly with any size 8 swivel, so you can use Quick Change, Ring or Standard swivels to adapt your presentation to any situation. By adjusting the Lead Clip Tail Rubber you can fine tune the force required to drop the lead. Available in Weed Green and Silt colors to keep end tackle visibility to a minimum.
