Data protection

1 Subject matter of this privacy policy

1.1 Processing of personal data

With this data protection declaration, we inform you in accordance with the statutory provisions about which personal data is stored about you. The protection of your personal data is an important and serious matter for our company. Therefore, the collection, storage, processing or transmission of our customers' data is always carried out in accordance with the applicable data protection regulations and other provisions. We use the data you provide primarily to fulfill and process your order

When you enter your data (registration in the online store and newsletter registration), we store the data you enter in the customer form. Your data will not be passed on to third parties. We use the data you provide to fulfill and process your order.

If you register for our newsletter, we will use the data required for this or separately provided by you to regularly send you our e-mail newsletter. You can unsubscribe from the newsletter at any time, either by sending a message to the contact option described below or via a link provided for this purpose in the newsletter.

We use the data you provide to fulfill and process your order.

To fulfill the contract, we pass on your data to the shipping company commissioned with the delivery, insofar as this is necessary for the delivery of ordered goods. In order to process payments, we pass on the necessary payment data to the credit institution commissioned with the payment and, if applicable, to the payment service provider commissioned by us or to the payment service selected by you during the ordering process.

1.2 Withdrawal options for data storage

If you subscribe to our newsletter, we will use the data required for this or separately provided by you to send you our e-mail newsletter on a regular basis. You can unsubscribe from the newsletter at any time, either by sending a message to the contact option described below or via a link provided for this purpose in the newsletter.

You also have the right to receive information free of charge about the personal data stored about you. In this case, please contact us at the following e-mail address: office@carphunterco.com

2. data transfer to third parties

The website operator will not pass on or disclose your personal data to third parties except in the following cases. The website operator will only transfer your personal data to third parties if

- You have consented to the transfer;
- there is an enforceable official or court order or

if this is necessary to prevent misuse of our offers or services, in particular use in breach of the General Terms and Conditions or special terms of use of the website operator in a legally permissible manner.

3. cookies

Cookies are files that we store on your hard disk, not on our server. The information contained in cookies is used to facilitate navigation and prevent you from having to re-enter all your registration data each time you use the website. Cookies can also be used - with your consent - to tailor the content of our advertising offers to your personal interests, to process orders and offers or services and - with your consent - to inform you about special offers or new products.

privacy policy

In order to make your visit to our website attractive and to enable the use of certain functions, we use so-called cookies on various pages. These are small text files that are stored on your end device. Some of the cookies we use are deleted again at the end of the browser session, i.e. after you close your browser (so-called session cookies). Other cookies remain on your end device and enable us or our partner companies to recognize your browser on your next visit (persistent cookies). You can set your browser so that you are informed about the setting of cookies and can decide individually whether to accept them or to exclude the acceptance of cookies for certain cases or in general. If you do not accept cookies, the functionality of our website may be restricted.

You can prevent cookies from being stored on your hard disk by selecting "Do not accept cookies" in your browser settings. Please refer to your browser manufacturer's instructions to find out how this works in detail. However, if you do not accept cookies, this can lead to functional restrictions of our offers.

With your consent, the website operator stores the data that we collect from you in cookies on your hard disk and retrieves this information when you use the website at a later date.

4. web analysis with Google Analytics

This website uses Google Analytics, a web analysis service of Google Inc ("Google"). Google Analytics uses "cookies", which are text files placed on your computer, to help the website analyze how users use the site. The information generated by the cookie about your use of this website is usually transmitted to a Google server in the USA and stored there. However, if IP anonymization is activated on this website, your IP address will be shortened by Google beforehand within member states of the European Union or in other contracting states of the Agreement on the European Economic Area. Only in exceptional cases will the full IP address be transmitted to a Google server in the USA and shortened there. Google will use this information on behalf of the operator of this website for the purpose of evaluating your use of the website, compiling reports on website activity and providing other services relating to website activity and internet usage to the website operator. The IP address transmitted by your browser as part of Google Analytics will not be merged with other Google data. You may refuse the use of cookies by selecting the appropriate settings on your browser, however please note that if you do this you may not be able to use the full functionality of this website.

You can also prevent Google from collecting the data generated by the cookie and relating to your use of the website (including your IP address) and from processing this data by Google by downloading and installing the browser plug-in available at the following link:

<http://tools.google.com/dlpage/gaoptout?hl=de>

5. processing or deletion of data on your user account

You have a right to information about your stored data and, if applicable, a right to correct or delete this data.

You have the right to correct, amend or delete the information and settings stored in your user account at any time. If you consent to a specific use of your data, this declaration can be revoked at any time. In particular, you are free to choose whether you wish to continue to receive information about special offers and new products.

If you subscribe to the newsletter, your e-mail address will be used for our own advertising purposes until you unsubscribe from the newsletter. You can unsubscribe at any time.

Under certain circumstances, the website operator may refuse access to the data collected about you, e.g. if confidential business information is involved or the rights of another person would be violated if you were given access.

10. integration of the Trusted Shops Trustbadge

The Trusted Shops Trustbadge is integrated on this website to display our Trusted Shops seal of approval and any collected reviews as well as to offer Trusted Shops products to buyers after an order.

This serves to safeguard our legitimate interests in the optimal marketing of our offer, which predominate in the context of a balancing of interests. The Trustbadge and the services advertised with it are an offer from Trusted Shops GmbH, Subbelrather Str. 15C, 50823 Cologne.

When the Trustbadge is called up, the web server automatically saves a so-called server log file, which contains, for example, your IP address, the date and time of the call, the amount of data transferred and the requesting provider (access data) and documents the call. This access data is not analyzed and is automatically overwritten no later than seven days after the end of your visit to the site.

Further personal data is only transferred to Trusted Shops if you decide to use Trusted Shops products after completing an order or if you have already registered to use them. In this case, the contractual agreement concluded between you and Trusted Shops applies.
